PPC Main Objective: is **“to promote pastoral activity”**, that will help the parish achieve its Mission and Goals. The parish pastoral council is the place where those ministries or services are brought forth that are needed for the growth of a living parish community and to bring the Gospel message to all people.

1) Reflect (*meditate and/or consult on all aspect of parish life*)

- + pray for wisdom and ask for guidance from the Holy Spirit
- + understand the Mission and Vision of St. Isidore
- + meditate and make informed decisions about our parish needs including worship, spiritual and physical for the benefit of the whole community. (use the needs assessment & conduct PPC workshop)
- + respond to the needs of the parish community
- + operate within parameters set by the Constitution of Parish Pastoral Council

2) **Plan** (*a way of proceeding*)

- + prepare a mission statement and understand (*why you exist!*)
- + **identify & assess needs/ pastoral interests of the parish**
- + plan for growth & set the direction for the parish community
- + set yearly goals & objectives
- + monitor your performance to goals & objectives
- + evaluate & assess existing PPC committees & programs

3) **Coordinate** (*bring into proper relation – make it work/respond*)

- + liaison with the Financial Committee PPC needs
- + communicate with & get feedback from the committees
- + engage with and have the following parish affiliates, CWL, K of C sit on council.
- + establish new PPC committees as applicable
- + invite & encourage parishioner involvement- young & elderly.

4) **Animation/ or action** (*breathe life into, enliven, and inspire*)

- + respond, enable, find the means that will answer the needs
- + establish committees that will function on their own as do other parish groups. (empowerment)
- + ensure that the required programs are implemented.
- + once PFC approves the funding required for pastoral needs and liturgy implement as appropriate.
- + prepare an annual stewardship report.
- + keep all lines of communication open.
